BAKE
your heart out!

Raising funds for SLA is a piece of cake!

Everyone LOVES a bit of home baking so why not help spread a little love by holding a Bake a Little Love event.

All the money you raise from Bake a Little Love will go directly to help support destitute children in India.

Simply bake cakes or cookies with a heart theme and invite friends round to share your heart shaped delights. Other bakers like to take their baking to sell at their local playgroup, golf club or church instead of hosting it in their houses, it's up to you.

To help you get going we will give you a heart-shaped cookie cutter with your starter pack.

Holding a Bake a Little Love event couldn't be easier. Here's how it works:

Download a Bake a Little Love pack from our website or contact us and we will send one out to you. It's full of fantastic resources to help you spread the word.

Get out your mixing bowl and bake your heart out! Make some heart shaped cookies, buns or cakes.

Invite friends, family, neighbours or colleagues to help you indulge in your delicious array of baked goods.

Once you've indulged to your heart's content ask your guests to make a donation. We suggest around £2, but every little helps!

Give yourself a big pat-on-the back for helping spread a little love to the children of SLA.
