

## Lesson Plan 5 - 2nd and 3rd Level - Corresponding with Children at the Light of Love Home

### Time required

1 hour

In lesson 5, pupils will be presented with profiles of two of the children who live in the Light of Love Home. They will choose one of these children and use the information they have previously learnt to compose a letter to the child.

### About the lesson

Pupils will write a letter to a child in the Light of Love Home, Tuni.

**10 minutes** - Present the profiles of Bummula Chinnari (age 8) and Koruprolu Krishna (age 14). Invite the children to comment on the profiles. Encourage them to think of questions they would like to ask the children about their lives past and present.

### Learning Outcomes

I can identify relevant questions to ask a child in Tuni based upon my prior knowledge

I have an awareness and understanding of the similarities and differences between the two cultures

**45 minutes** - Pupils will compose a letter to one of the children. In this letter the pupils will introduce themselves. They will tell the child about their school life and their interests. Pupils will then ask questions to find out more about the child's life past and present. These questions should demonstrate that the pupils now have an awareness and understanding of the similarities and differences between their lives and those of the children in the Light of Love Home.

**5 minutes** - Share some examples with the rest of the class.
