Who are we and why support us?

SLA cares for and supports destitute children in India. We provide funding to a grass roots non-government organisation (NGO) partner who runs the projects in India.

SLA feeds, clothes, houses, educates and provides medical care for over 560 children who are either orphans or whose remaining relatives cannot support them. We do this by funding two Home-cum-Schools in Tuni and Hyderabad, both in the State of Andhra Pradesh, south-east India.
